INSPIRED BRIDE THANK YOU CARD TRACKER

How to Use.

Keeping track of gifts is difficult, especially with large weddings. Make sure you send out the appropriate thank you cards while also keeping them personal by using this gift and thank you tracker. Print out one copy of this page and as many copies of the second page of this PDF as necessary. As you open your gifts and cards, write the name of the guest(s) providing the present and what it is. When you start writing your thank yous, reference the gift by name to acknowledge the generosity of the sender(s), then check off that it was written. When the card has been dropped in the mail, check off that box so that in case a card gets lost in the mail, you can confirm it was sent in the first place (not just written!).
